## **Snowline Hospice Moves Thrift Store Holiday Socials to New Location for a Spectacular Weekend of Holiday Shopping**

Everybody loves Snowline Hospice's Holiday Socials! Now, with Snowline's *Three-Day Holiday Spectacular Social and Shopping Extravaganza*, there's more to love at a special location to provide shoppers with a full weekend of holiday shopping!

On **November 6-8**, our Camino, Placerville and Cameron Park Thrift Stores are joining forces to deliver a weekend of entertainment, fun and shopping. The Harrell Family has generously given us use of the Placerville Ford building located at 126 Forni Road in Placerville for this special 3 day event!

Just like our traditional Holiday Socials, this special event will feature scores of holiday merchandise, set aside the whole year through especially for holiday shoppers looking for the perfect gift at a bargain price. Many of the items offered during this special event are charming, one-of-a-kind goods that have come from our donor's personal collections. Seasonal décor, collectibles, musical instruments, overstock items from department stores, furs, toys, jewelry, and other like-new merchandise gathered for this special event are just a few of the things you will find at our *Three-Day Holiday Spectacular Social and Shopping Extravaganza*.

Friday night November 6 kicks off the shopping extravaganza with hayrides, a visit from Santa, carolers and tasty treats. Details for the *Three-Day Holiday Spectacular Social and Shopping Extravaganza* are as follows:

### **Holiday Spectacular Social and Shopping Extravaganza Kickoff:**
