FOR IMMEDIATE RELEASE

Find the Dress of Your Dreams at the Folsom Snowline Hospice Thrift Store!

(Folsom, CA)- Find the dress of your dreams just got a little easier. The Folsom Snowline Hospice Thrift Store is hosting its annual Prom Dress to Remember on Saturday, March 8, 2008 from 4-7pm. For many girls, prom night is one of the most memorable nights of high school, however many girls are not able to afford the dress and needed accessories. The Folsom Snowline Hospice Thrift Store has the perfect solution for finding the perfect dress for the perfect price. This exciting event provides an opportunity for students to purchase a new or gently used special occasion dress for only \$20 with a student ID. Prom accessories such as shoes, purses, and jewelry will also be for sale. Students should plan to shop early for the best selection.

Many local salons have donated up dos and manicures as raffle prizes for the event. Any girl who purchases a dress with their student ID will also be entered into the raffle.

“I believe every girl should have the opportunity to feel like a princess on her special night. The Prom Dress to Remember event provides every girl the opportunity to have a beautiful dress for a low price.” Said Anna Alvarez, Folsom Thrift Store Manager “It is a great feeling knowing that we have helped girls be able to go to prom who couldn’t have afforded otherwise.”

Hours of preparation have gone into preparing for the event. The Folsom Thrift Store has been collecting hundreds of dresses from the community for the past several months and students from Folsom High School have helped promote the event.

The event would not be possible without the extensive community support that the Folsom Thrift Store has received. In previous years, the thrift store has received phone calls from the community thanking them for hosting such an event. For more information about the event or to donate a prom dress, please call (916) 984-5853 or visit the store located at 616 E. Bidwell Street.

Snowline Hospice is a community-based non-profit organization located in El Dorado County. The mission of Snowline Hospice is to meet the unique physical, emotional, and spiritual needs of people as they approach the end of life. Hospice care enhances the living, comforts the dying, and supports the grieving with compassion and dignity. All funds generated through the four Snowline Hospice Thrift Stores support end of life care.
