

Dear Hospice Family:

It is with deep sorrow we share with you the passing of our father, Marcel Andre Knuchel.

He taught us love, honor and integrity. He left us on July 8, 2010. It is with deep gratitude to our hospice team that we honor our father with supporting the hospice care in every way we can. My sister and I rented a Budget truck in Redwood City, CA, and drove to Placerville with donations of our Dad's.

The next month, my son and I sorted through our "things" that were not being used and rented "that" truck again. I continue to spread the "hospice word" and am gladly given donations for the store. I thank Priscilla at your Placerville Drive facility for her helpful insight of all the wonderful help your organization gives. Also at that store, I remember Robert who eagerly helped me unload the truck. . . . twice! He was kind and ever so grateful.

The next time I come to visit my sister I will stop by, if even just to say "hello."

Thank you for all you do.

Gratefully yours,

Fran and Colette
