

Vintage Tool Collection of the Raymond Schneider Estate  
Donated with Love to Snowline Hospice

Nearly 1,000 pieces, including a vast array of beautiful antique woodworking planes, levels, spoke shaves, drawknives, axe heads, saws, steamship wrenches, augers (many pieces from the Pennsylvania Dutch area), numerous hand forged iron implements. . . a 40-year collection.

Hospice cared for our father in a loving and compassionate manner and knowing his kind and generous nature, we know from the bottom of our hearts he would be forever pleased to donate his collection to Snowline Hospice with the hope that it will help them raise much needed funds to help other families in their time of need.

With love, gratitude and many thanks,

The Schneider Family
